MOBILE STAGE DESIGN

Our outdoor mobile stages are suitable for a full range of events. The portable folding stage converts easily from one application to another without the necessity of lifting heavy folding leg units.

This staging system also eliminates the need to flip the unit over to adjust to the desired height. There is no need to damage the deck edges during set-up and take-down

03

BANQUET TABLES

DESIGN

Our Banquet Folding Tables are easy to set up in any space. These folding tables feature an attractive laminate top that resists scratches.

The polymer edge protects your table and will not damage tablecloths and other linens like metal edges

As with all of our products, we are more than happy to customize orders so you get the perfect solution for your needs

ADJUSTABLE BANNER STAND

DESIGN

This versatile system adapts as your needs change. The adjustable and mobile banner stand is perfect for media walls, trade shows, job fairs, indoor events and many more occasions!. With adjustable frames, your banners can be efficiently stretched between the top and bottom poles, or left free to the right.

This is designed to be easily installed and located precisely behind your mobile stage. We provide many sizes for your ballroom or meeting room. We can also provide customized size based on your request.

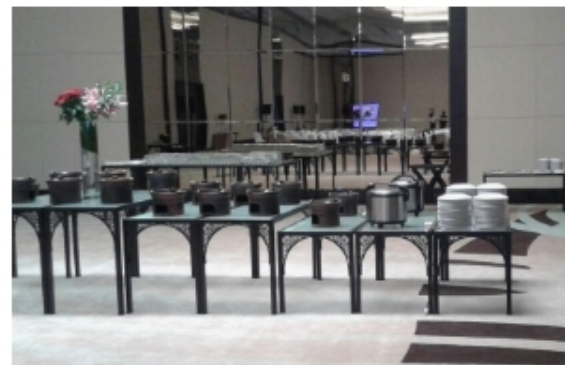

05

NESTING TABLE DESIGN

The three pieces of Nesting Tables are a piece of style and elegance. With a square shape structure, the tables have a spacious top that can conveniently accommodate your tea or coffee mugs with a small showpiece.

Made from metal and tempered glass, Our Nesting Tables are strong and durable. This set can be spread throughout your space when needed and can be easily nested for space-saving storage when not in use.
