CUSTOM MADE FURNITURE

HARRINGTON[®]

We receive order for custom made furniture based on particular customer needs. Our team would love to hear from you. We listen carefully to your requirements in order to build your own custom-made furniture that is perfect for your home, office or hotel! Just contact us to discuss the design, textures, sizes and any other relevant details you have in mind, and we will be happy to help.

We understand the challenges of running a business and providing the best possible products and services at a price our customers can afford. That's why we continue to strive to provide our customers with quality products at affordable prices.

SYNTHETIC FIBER

We use a premium synthetic weaving material suitable for all kinds of applications including outdoor and indoor furniture as well as garden and home accessories.

All synthetic material is manufactured according to ISO 9001-2000 quality assurance standards and supplied by renowned manufactures such as VIRO and REHAU using state-of-the-art engineering know-how and production technology.

Each piece of furniture is made with special care to achieve perfect workmanship, as each piece is a work of art, crafted with the exquisite taste we've acquired through our years of experience.

Features of our synthetic fiber include:

100% high-density polyethylene synthetic fibers.

Non-toxic, 100% recyclable and environmentally friendly

High resistance to breakage. Will not break, peel or lose its color

Max. elongation: 4 mm per meter at 60 degrees Celsius.

Extremely resistant to UV rays and temperatures ranging from -25 °C to 80 °C

No maintenance required, it can be washed using pressurized water and a soft sponge

Ideal for pools, terraces and the beach. Resistant to chlorinated and salt water

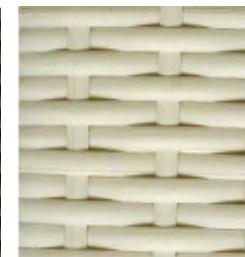

Two-year warranty. Colorfastness. Mushrooms free

VIRO®

the environmentally friendly all-weather wicker
